

This NO-COST, standards-aligned program for young people ages 8-18 is available in every school, home, and state in the nation to kickstart lifesaving actions TODAY.

Created in collaboration with the Drug Enforcement Administration (DEA) and Discovery Education, **Operation Prevention** is an award-winning educational program dedicated to preventing substance misuse in schools, workplaces, and communities nationwide.

Resources available on both English & Spanish websites

School Resources

A variety of digital lesson plans, activities, and three Virtual Field Trips help spark lively discussions about opioid misuse. Students learn the importance of staying safe, making healthy decisions, and the devastating effects substance misuse can have on their lives and communities.

Self-Paced Module

The Science of Addiction: The Stories of Teens tells the stories of real teens who share their firsthand experiences of how opioid misuse negatively impacted their futures and families. Students will build essential strategies for saying "No."

Parent Toolkit

Parents can join the conversation with a family discussion guide, featuring info on the warning signs of opioid misuse. A guide to prevention and intervention encourages families to take action NOW.

Multi-Drug Topic Series

A Multi-Drug Exploratory uses science-based animated videos to teach students about the most prevalent forms of substance misuse, including an Educator Guide to tie the videos together.

Workplace Resources

Educators, administrators, and other professionals can lead the way to stronger schools and communities by addressing opioid misuse in the workplace with a series of self-guided resources.

Culture-Based Resources

The wisdom of Native practices of wellness combined with the insights of modern science help empower Native and non-Native students to avoid the dangers of substance misuse.
